March 2018; Issue 590

IMPORTANT INFORMATION re A14 WORKS

Highways England are proposing to complete works for the A14 Cambridge to Huntingdon Improvement Scheme. They are building a temporary junction at Bar Hill which will then enable them to build the permanent junction (roundabout and bridge).

The first stage of the works is to start works on the tie ins on Hattons Road, Longstanton. These works will need to be completed with a weekend closure of Hattons Road.

Highways England have planned for these works to be completed on **3rd-4th March** 2018 with a contingency date of **10th-11th March** 2018.

The second stage of the works will involve a 7 day closure Monday to Sunday of the Bridge from the Crafts Way/Saxon Way roundabout and over the A14 (roundabout will be fully operational). The closure is required as they need to complete a full formation dig No vehicles including emergency vehicles will be able to go through the closure.

Works are expected to start **2nd April** 2018 for **7 days.**

The third stage of the works is to complete the tie ins on Hattons Road, Longstanton which can be completed using 2 way temporary traffic signals dates to be confirmed.

Highways England will be completing communications prior to the works.

BROOKDALE CULVERT 2 – REPAIRS

I am writing to inform you of our upcoming headwall repairs to Brookdale Culvert 2, Bar Hill. We are proposing to anchor the headwalls in place which will prevent further slippage and cracking, as well as securing its long term future.

Because of the works it will be necessary to close the footpath for 2 weeks beginning 5th March 2018.

A copy of the diversion will be displayed in the window of the Parish Council offices.

Please do not hesitate to contact me.

Kind regards

– NO FETE IN 2018 –

Unfortunately, there will be no Village Fête in 2018. Despite pleas for residents to come forward to take over from members of the Fête Committee wishing to stand down, only one has come forward to share tasks which should have been done already, as well as in the next few months and on the day.

When even the smallest villages hold their summer Fêtes, it is a poor reflection on Bar Hill that, with an adult population of about 2,000, so few residents are willing to help organising it. Why? indifference, inertia, self-centredness...?

The only times the Bar Hill Fête has been cancelled before is in 1971 and (weather-related) in 2012.

The Residents' Association plan to revive it in 2019, but this may depend on village organisations nominating representatives on to the Fête Committee. It is a choice the entire village has to make.

Roger Hall, Chair, Residents' Association Committee

BAR HILL RESIDENTS' ASSOCIATION – AGM –

This will be held at **7.30pm** on **Tuesday 15th May** in the **Parish Council office.**

Please consider joining the Committee to help make decisions that concern the village.

We meet only once a month on the first Tuesday of the month, at 8pm for an hour or so.

THE RESIDENTS' ASSOCIATION NEEDS A TREASURER

Martin Avery, who has served as the Association's Treasurer for many years, has announced that he will retire from this honorary post at May's Annual General Meeting. The post requires only an hour or two's work and attending the monthly committee meeting each month.

For more information, contact Roger Hall, Chairman, on **01954 780304** or email roger.hall90@ntlworld.com.

INDOOR CARPET BOWLS

We are a mixed group who meet in the school on Friday evenings during term time from 7.30–10.00pm with a ½-hour break for refreshment – all for £1.50 each evening you play.

We do not play in any leagues so even if you have never played before do not be put off. Why not come along and join us on any Friday evening with your 1st session being free?

We look forward to welcoming you.

If you require any further details please contact Barbara on **01954 204171.**

The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. However, these may be made available should a written request be received. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. These ads are for local businesses and we guarantee publication, but this often results in a waiting list.

To help overcome this, we publish Maxi and Mini ads which appear throughout the publication. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com *[a Word file is best, please]* or hard copy via Parish Council Office.

— BAR HILL HEALTH WALKS —

Free every Wednesday morning

Meet at Maple Surgery at 10.30am

Our walks are all weather *(in case of rain you will find us under the Church porch)*, free, and accessible to all, particularly those who are currently inactive.

Walks are 45–60 minutes long, and led by trained Volunteer Walk Leaders. Shorter walks may be available; contact Patricia or Josephine to discuss.

We meet locally after the walk for a hot drink and a chat. This is usually in the library, but may sometimes be at Costa, Tesco, or the Fox.

If this is your first walk please arrive 10 minutes early to complete a short health questionnaire. Copies are available on the PPG noticeboard in Maple Surgery, and at www.walkingforhealth.org.uk.

— LETTERS/INFORMATION —

Dear Parish Council

South Cambs District Council continues to recognise the health and social benefits of enabling our residents to live in a home that meets their needs, especially as those needs change, so we'd like to take the opportunity to remind residents that we have funding available for adaptations and essential repairs. For adaptations, residents should initially contact Cambridgeshire Direct on 0345 0455202 who will, if needed, arrange an Occupational Therapy Assessment.

Cambs Home Improvement Agency formed in 2012 as a partnership between 3 local district councils – customers requiring help with work such as roofing repairs, damp work, replacement windows and doors or new boilers are encouraged to contact the agency for information about what is available.

If you would be kind enough to ensure that disabled people are aware of who to contact, we would be grateful.

Thank you

Frances Swann, Manager, Cambs HIA

RISK OF WATER RESTRICTIONS REMAIN IN AFFINITY WATER'S SUPPLY AREA

We have had exceptionally low effective rainfall over the past two winters. January may have felt very wet but rainfall was below average for this time of year.

This means we are actively planning for usage restrictions this spring and summer if conditions fail to recover sufficiently.

If we get above long-term average rainfall in the next three months we hope that we will not need to introduce them this summer. However, that does not remove the possibility that usage restrictions will have to be introduced in 2019. This will be dependent on rainfall next winter being sufficient to refill groundwater stores.

While we continue to undertake significant investment in infrastructure and drive down leakage in our network, we also need our customers to change how they use water to help manage the situation. Demand in our supply area is above the national average and way above the average in other countries like Germany and the Netherlands.

We need a public debate about how we all use water. Please contact jake.rigg@affinitywater.co.uk for more information or to arrange a meeting to discuss how we can plan for the future, to take the next step on this journey together. We need your support to help make the longer term changes that will have a big impact for the future of water supplies.

There are simple steps that every one of us can take – whether a householder, business, community or a council.

We need everyone in your community to know what they need to do so we can reduce the likelihood of water restrictions this year. Every little step we can all make will collectively have a big impact on water usage.

- Turning off the tap off while we brush our teeth can save 6,500 litres of water a year.
- Avoid baths – take a short shower instead to save on average around 50 litres each time.
- For more tips and to order free water saving devices, visit: www.affinitywater.co.uk/savewater

To keep up to date with our latest water resource position, please visit www.affinitywater.co.uk/resources

Yours faithfully

Mike Pocock, Director of Asset Strategy, Affinity Water

Dear Editor

As a former dog owner it pains me to write this letter to the BHN.

Two weeks ago, at the other side of our fence, lie a pile of dog excreta. This was from a small dog. A day or two later walking on a footpath down the village I noticed two piles of dog excreta. Both these from very large dogs. My considerate dog owner friend, who exercises her dog on the village green, picked up FIVE PILES!

After coffee with two friends yesterday they complained each to having to clear it off of their front lawns. Lo and behold I got home to yet another pile on the footpath at the back of our house. To top all this, today on social media, a mother reports her son coming home with it all over his school shoes!

If only one dog owner reads this I hope it's enough to remind them of how disgusting it is and why dog owners will be getting such a bad name!

Members of JH Fitness Academy will be boxing to beat cancer in a **THREE HOUR BOXERCISE CLASS** for Ovarian Cancer Action.

The venue is **JH Fitness Academy, 46 Viking Way, Bar Hill**

This will be the third year in succession that the gym has been involved with this Boxercise event. It is always a fun three hour workout with everyone putting in a lot of effort to help out.

A woman dies every two hours from ovarian cancer in the UK, and sadly many of these deaths could be prevented if the condition were identified earlier. Over a third of women are diagnosed in A&E – when the condition is already in an advanced stage.

By knowing the symptoms, you could save a woman's life. The symptoms are:

- Persistent bloating (not bloating that comes and goes with every meal).
- Persistent stomach pain.
- Difficulty eating and feeling full quickly.
- Needing to wee more frequently.

If you'd like to make a donation to our fundraising page, you can do so here: https://www.justgiving.com/fundraising/jh-fitness-academy

Please note that the office is normally open to residents between 10am and 12noon, Monday to Wednesday.

We are very pleased to announce that our new website is now open: www.barhillpc.org.uk.

Spinepath to Chestnut Rise, including areas near Appletrees/Brookdale, Hillcrest, and oak tree at rear of The Brambles **w/c 26 February**; Appletrees near The Drift, **13–16 March**; Hollytrees/perimeter road – conifers **16 March**; CCC Culvert repairs Brookdale. **Diversion 5 March for 2wks.**
Access to these areas may have to be restricted or diversions in place dependent on contractor requirements. We thank you for your co-operation and patience whilst all the works are going on in Bar Hill, including footway and stream bridge repairs currently being undertaken by the County Council. Highways England road closures at various times for Hattons Road (Longstanton – Bar Hill) the bridge and main village roundabout.

Preparation and survey work is progressing for works on the **Hollytrees Stream/Dam Brook** and contractors are expected to arrive to start work later in the Spring. Details will be published on noticeboards. Again, due to heavy plant etc restrictions/closures will be necessary in some parts.

Dog Fouling: Once again the darker evenings and mornings over the past few months has resulted in an increase in people not clearing up after their pets. Please bag your pet's poo and deposit it in the dog bins we provide or take it home. It is unacceptable to leave it on paths, roads, verges, open spaces etc. People are urged to report offenders to https://www.scambs.gov.uk/form-type/report-it immediately. The District Council has the powers of enforcement on this issue and will be very pleased to receive details. Fines can be hefty! So dog owners – beware!

Damaged grass verges and nuisance parking have become prevalent. The barriers at Otter Close will soon be replaced and the verge made good with the help of SCDC following damage caused by the refuse lorries trying to get round to pick up your bins. Wherever you live, please take care where you park, particularly on bin collection days. Please leave plenty of space so that large vehicles have enough room to manoeuvre without mounting verges and kerbs. Wherever possible please avoid street parking and use your own drives and garages. We are also getting complaints about people parking partly on the footways. This is inconsiderate and often dangerous for pedestrians, especially those with pushchairs, young children and mobility scooters.

— WILDLIFE TRUST —

Huntingdonshire Local Group

Islander – Wednesday 14th March at 7.30pm.

Patrick Barkham, Natural History writer, will regale us with tales from one of his latest books 'Islander'. He will seek to demonstrate what it is like to live on a tiny island in the UK, describing the many habitats and associated wildlife found in these islands, whether they are small and apparently deserted, or whether they appear to be superficially suburban with little of the obvious natural resources in which to flourish.

This will take place at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB. Everyone is most welcome to attend. Booking is not necessary. Entrance charge £2.50 (accompanied children free). Please contact Tim on 01480 457795 for more information.

Portholme Meadow, Brampton

Our first Spring Walk is on Thursday **19th April** when we will visit Portholme Meadow, an ancient meadow lying in a large flood plain boarded on two sides by the river Ouse. The meadow is a haven for breeding birds, such as corn bunting and skylark and also supports a rich variety of flora. Dr. Patrick Doody will lead us for this evening's walk which will focus mainly on one of Portholme's specialities, the Snakeshead Fritilllary. Pat has a wealth of knowledge about the history and natural history of this meadow and this should be a very interesting evening.

Everyone is very welcome to attend, but please note that it is likely to be wet underfoot. We will meet at **7pm** at Godmanchester lock (TL 241 704). The closest parking is in Godmanchester near the Chinese Bridge. There is no charge, but donations are welcome. For more information please contact Pat on **01480 392706.**

Flu – the GP Surgery and hospitals are currently experiencing a high volume of patients with flu and winter vomiting. Flu is a common infectious viral illness spread by coughs and sneezes. It can be very unpleasant, but you'll usually begin to feel better within about a week. GPs don't recommend antibiotics for flu because they won't relieve your symptoms or speed up your recovery. Flu is very infectious and easily spread to other people so please do not attend the surgery unless you fall into one of the following categories:

- **Call NHS 111 or see your GP if:** • you're worried about your baby's or child's symptoms • you're 65 or over • you're pregnant • you have a long-term medical condition – for example, diabetes or a heart, lung, kidney or neurological disease • you have a weakened immune system – for example, because of chemotherapy or HIV • your symptoms don't improve after 7 days.
- **You should attend A&E or call 999:** • if you develop sudden chest pain • have difficulty breathing • start coughing up blood.

Visit NHS Choices for further information about flu symptoms, how to treat flu at home, and how to limit the spread of infection: https://www.nhs.uk/conditions/flu/

Winter vomiting – norovirus, which causes diarrhoea and vomiting, is one of the most common stomach bugs in the UK. It's also called the winter vomiting bug because it's more common in winter, although you can catch it at any time of the year. Norovirus can be very unpleasant but it usually clears up by itself in a few days. You can normally look after yourself or your child at home. Try to avoid going to your GP, as norovirus can spread to others very easily. Call your GP or NHS 111 if you're concerned or need any advice. You can also visit NHS choices for further details of symptoms and how to treat your illness at home, and when you should seek medical advice. https://www.nhs.uk/conditions/norovirus/

Additional appointments available at this practice – we are making more appointments available for patients at this practice from the end of January until the end of March 2018. This is because we know that there are times you want to be able to see a GP at short notice. We also know that over winter lots of people have seasonal illnesses which require more than a pharmacy but don't need emergency treatment. The extra on-the-day appointments are bookable by ringing reception on the usual number.

Hospital waiting lists – please note that some hospital departments currently have very long waiting lists. Once your referral has been sent to the hospital, the GP has very little power to expedite your appointment. The hospital is responsible for prioritising your referral. If you are concerned your referral has been lost or forgotten, we are happy to check on the progress for you.

Carers support meetings – our next meetings are at Willingham Surgery on Wednesdays: 7th March, 4th April and 2nd May at 2pm.

Hearing Clinics – the next clinics at Willingham Surgery are on Wednesdays: 21st March, 18th April and 16th May. No appointment necessary, just pop along.

At last – it's finished! The new play equipment we've been working for on the playground has finally arrived. Parents and carers may recall that we started the fund raising for this after the loss of our beloved colleague, Dawn Miller who, before she passed, inspired us to reinvigorate our playground space. After lots of fundraising events and successful bids for external funds, we've completed the construction and the children are loving it. The new equipment – a climbing frame and an imaginative/den building area – has made the playground an even more fun place to play during Break and Lunch. As ever, members of the public are welcome to visit the school and see the new play areas as well as tour the rest of the school.

Along with the new playground equipment, we've nearly finished our construction for the new heating system. We expect the work to be completed over February half-term. For the rest of the year, it's quite likely that Reception will continue to use the temporary space but will also use the main Reception area once it is re-decorated and put back together as a classroom. We very much appreciate the patience from the community while we've had builders filling the roads outside the school.

As a final note, we value the work members of the community share with the children by serving as volunteers.

Similarly, we have paid roles for members of the public such as the role of mid-day supervisor/play leader during Lunch – these roles are great ways to earn a little extra money while also enjoying time with our delightful children. Any member of the community who would like to share some time with the children and volunteer as a classroom assistant to support learning or would like to work as a mid-day supervisor/play leader would be very welcome – please contact Mrs Milroy in the front office to arrange a visit and discussion about the different voluntary roles available (office@barhill.cambs.sch.uk).

— 8 O'CLOCK CLUB —

We are a women's group that meets on the first Thursday of the month in the lounge at the school at 8pm. The cost is £10 for the year plus 50p each month to cover the raffle and coffee.

We have a variety of speakers as well as an annual garden party, birthday party and Christmas meal. Our meetings for early 2018 are as follows:–

1 March – Ghostly tales from Malcolm Busby;
29 March – Birthday party – members only;
5 April – School closed – no meeting;
3 May – To be confirmed;
7 June – Growing up in the 50/60's;
2 August – School closed – no meeting.

If you'd like further information please phone Barbara on 01954 204171, Adela on 01954 204265, Ann on 01954 204687, or come along to one of our meetings. We'd be very pleased to meet you.

– BAR HILL CHILDMINDERS –

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more...

Our Childminders are as follows:

Jacky	07718 447998
Melanie	01954 204496 – spaces
Terri	07846 018714
Kirsten	07906 218070

At our Tuesday Sensory sessions we'll be exploring activities related to Spring with 'Growing':

6 Mar. Music and movement;
13 Mar. Mothering Sunday activities;
20 Mar. Planting and playing with compost and bulbs;
27 Mar. Easter activities.

Please note our Little Bunnies session will be closed for the day on **Thursday 29 March.**

LONGSTANTON BOWLS CLUB

March 2018

Spring is here at last with the longer evenings and as usual at this time of year Longstanton Bowls Club is recruiting new members. Do you fancy some gentle exercise on a summer's evening? It doesn't matter if you haven't played Lawn Bowls before as we have plenty of members always willing to provide help and guidance. Everyone is welcome and our membership ranges from juniors to retirees and novices to experienced players.

We have many members from surrounding villages, including Swavesey, Over, Willingham, Oakington, Bar Hill and Cottenham. Don't worry about equipment, as the club can assist with this – just wear flat shoes. We pride ourselves in being a friendly club where the enjoyment comes from taking part. Our bowls green is located on the recreation ground, between the Longstanton Pavilion and the tennis courts, Over Road, Longstanton.

Monday evenings are club roll-up nights, reserved for informal practice in a mildly competitive environment, ideal for beginners. We also have a fun league on Thursday afternoons where you even get points just for turning up!

The club plays in a number of inter-club leagues, some of which are more competitive than others. Away matches give members an opportunity to experience other club's greens and facilities in the Cambridge area. Most of our league matches are on the light summer evenings, starting at 6:30pm. There is also an afternoon league with matches starting at 2pm with a break for tea and biscuits halfway through, so it is all very sociable!

There is plenty of bowls to suit everyone so why not come along and give it a try? The outdoor season runs from late April to September. If you're tempted, please come along to our open day on **Saturday 14th April 2018** (from 2pm) or alternatively, on any Monday evening (from 6pm) to meet some of the members and possibly try your hand. If you just want to watch, then that's fine too.

For more information visit contact Marion Edwards on T: **01954 780118** or E: marionedwards1@btinternet.com. Also visit our web site www.longstanton-bowls-club.co.uk.

THE CARERS TRUST

This is an organisation which arranges a range of services and support for those who are so busy caring for a loved one that they do not have time to care for themselves. They have day service, arrange holidays or just a pamper session but most importantly they give the carer confidence to leave their loved one and take time out.

Funding to help local athletes reach new heights

Almost 30 athletes from South Cambridgeshire, including competitors in skeleton bobsleigh, cycling and clay pigeon shooting, are sharing around £16,000 in Council funding to help them reach their potential.

The sportsmen and women were successful in applying for funds from South Cambridgeshire District Council's Elite Athlete Award Scheme grants. The programme is designed to assist able-bodied and disabled athletes from South Cambridgeshire, who are aiming to represent Team GB at world-class events like the Olympics and Paralympics.

The idea is for funding awarded to be used to make crucial contributions to aspects of training such as equipment and travel. All applicants were asked to demonstrate how they will use the money to help them reach their sporting goals.

Grants have been awarded to sports-people who compete in a wide range of events, including athletics, clay pigeon shooting, cycling, diving, equestrian dressage, golf, gymnastics, hockey, rowing, sailing, skeleton bobsleigh, swimming, tennis, trampoline, triathlon, goalball, powerlifting and squash.

This funding makes a valuable contribution by helping local sportsmen and women pay for crucial factors that can't be overlooked, like equipment and travel. Last year, Camille Holland, our Dry Drayton-based Team GB powerlifter benefited from this funding. 29-year-old Bar Hill-based cyclist, Hayley Simmonds, was awarded £1,000. Daniel Mawby, a 20-year-old from Swavesey who competes in clay pigeon shooting, was awarded £1,000.

— HEIDI ALLEN MP —

Last month saw the Ministry of Justice launch a consultation on the closure of Cambridge Magistrates' Court. I have written to the Ministry of Justice to raise some questions. A copy of the letter is available on my website – www.heidisouthcambs.co.uk and I will also post the response there. The consultation is open until the 29th March. Please do have your say – www.gov.uk/government/consultations/cambridge-magistrates-court-proposal-on-its-future.

As the A14 upgrade continues apace, I coordinated a meeting with Highways England and a number of landowners who are affected by the project. I appreciate the work has been causing some difficulties for residents in some of the neighbouring villages (including a rat running through my own village of Elsworth!) As such, I will hold future meetings with Highways England to monitor progress and issues – please do keep an eye on my website where I post a weekly update on the work being undertaken in our area.

Although my newsletter focusses on local issues, I continue to be busy on national issues in Parliament too. This month has seen me raise a range of matters from questioning the bosses of Carillion about the collapse of the company to speaking in the House about the Government's welcome changes to Personal Independent Payment awards for people with mental health conditions.

I also asked the Prime Minister about pay for "live in" care sector staff, who often look after vulnerable disabled adults. The Prime Minister has agreed to meet me to discuss these concerns and I am hopeful that we can find a way forward.

The above is a brief snap-shot of my work at Westminster but my website is regularly updated with more information and topics. If you have concerns or views about a local or national issue, please do call in to one of my surgeries.

My next surgery will be on **3rd March 10am–12pm** at Caldecote Primary School, Highfields Road, Caldecote, CB23 7NX. All are welcome, so I run a "no appointment necessary" system.

To contact me, please email heidi.allen.mp@parliament.uk. You can also phone my Westminster office on 020 7219 5091 about national issues or my constituency office on 01223 830037 for local concerns.

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

Cambridgeshire County Councillor's Report

At the February meeting of Council, members voted to approve the 2018/19 budget. Frequent interruptions, many not meeting the criteria, for 'point of order' and 'point of personal information' might certainly be blamed for members' distraction at times and one has to feel for the leader of one of the opposition parties who voted in error to support the budget after speaking against.

In the main there was agreement on the decision to raise the general council tax precept by 2.99% and the adult social care precept by 2%. The main disagreement was over the proposal that the funds raised from increasing general council tax in excess of those required to balance the 2018/19 budget [£3.65m] should be allocated to a smoothing reserve. The creation of such a reserve is an acknowledgement that, although a robust, balanced budget has been set for the coming financial year, significant challenge remains in respect of closing the budget deficits in the longer term.

Provisional council tax precept rates for each of the next five financial years were set at 2.99% for the coming year; 1.99% for next year returning to zero for the 3 years 2020/23. Additionally, the assumption was made that there will be a continuation for those last 3 years of the 2% allowed by Government for adult social care and that the County Council will levy that amount.

The County Council is the third lowest funded, upper tier authority in England and faces the challenge of responding to the need created by a very rapid growth in the county's population. Its programme to increase efficiency, generate additional income and manage demand for its services will continue supported by additional transformation investment, where required.

In his written statement to Parliament confirming the final local government finance settlement for 2018/19 [delivered after the County Council's meeting] the Secretary of State [SoS] for Housing, Communities and Local Government confirmed that there would be an extension for a further 3 years of the capital receipts flexibility programme. This scheme gives local authorities the freedom to use capital receipts from the sale of their own assets for transformation and efficiency savings. It is this freedom that has allowed the County Council to set up its new Innovate and Cultivate Fund that I wrote about last month and I encourage the many local organisations and groups doing such good work for the community to consider making an application.

The SoS also announced an additional £150m for an Adult Social Care Support Grant in 2018/19 stating that it would be allocated 'according to relative needs' - details awaited. He confirmed too that there will be a green paper this summer setting out Government proposals for funding reform to secure a resilient and sustainable system for the future. Those of us fighting for fairer funding for Cambridgeshire hope that this will address historic inequality.

Please do contact me about any concerns or questions you have. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation. Meanwhile my best wishes to you all for the forthcoming festive season.

Honest advice with a smile, we go the extra mile!

FLIGHT TICKET FRAUD

Who doesn't love a bargain when booking a holiday? However, there have been an increasing number of reports about fraudsters attempting to entice victims to buy non-existent cheap flights. Particular targets (but not only) have been individuals wanting flights to Africa and the Middle East, especially for popular public and religious holidays.

After booking tickets via websites or a "popular" ticket broker, and paying by bank transfer, victims discover the tickets/booking references received are counterfeit. Any further contact with the company or broker proves impossible.

Prevention Advice:

√ Pay safe: Wherever possible, pay by debit or credit card.

X Be cautious if asked to pay by bank transfer – the money is very difficult to trace and is not refundable.

√ Research any company you consider eg, are there any negative reviews or forum posts by previous customers online?

X Don't rely on one review - do a thorough online search to check the company's credentials.

√ Check the company website carefully; does it look professional? Are there any spelling mistakes or irregularities? There should be a valid landline phone number and a full postal address so that the company can always be contacted.

X Avoid using the site if there is only a PO Box address and mobile phone number, as these can easily be changed.

√ Check the company is a member of ABTA or ATOL or some other registered trade body..

X Purchasing tickets from a third party, particularly when initial contact has been made via social media, can be incredibly risky.

And finally, whatever you are buying, if it looks too good to be true it almost certainly is!

If you have been affected by this, or any other type of fraud, report it to Action Fraud by calling 0300 123 2040, or visiting www.actionfraud.police.uk.

— NEIGHBOURHOOD WATCH —

Once again the police are encouraging us to take basic steps to reduce the risk of being a victim of burglary. Our lapses or negligence can be too tempting to burglars, especially opportunists.

Secure entry points: windows or doors left unlocked or ajar give easy access to burglars.

Empty house: always make your home appear occupied by using lights, radios or a fake tv, if necessary on timers.

Outside lights: any lights, but especially motion activated, are unpopular with burglars.

Secure sideway: most break-ins are via the rear of a property where burglars are out of sight. Make access hard for them.

Lock your shed: don't provide the tools to break-in to your house.

Going away: ask neighbours to keep an eye on your property, park on your drive, push post through the letter box and put wheelie bins out and back.

If you want to be even more secure:

CCTV camera: the top deterrent for burglars. Seek advice about the best system for you.

Alarms: another effective device. Again take good advice before buying and then ensure it is set every time you leave the house.

But Remember:

Strong communities: we are all safer when we work together. Make friends with neighbours, look out for the elderly & vulnerable.

And above all:

Keep alert and report suspicions: offenders will often visit an area in advance to scope out possible targets. If you believe someone could be behaving in this way, contact the police immediately, noting vehicle details, descriptions of people etc. It's better the police have the chance to investigate something that turns out to be ok than leave a criminal to return and cause misery at a later date.

healthwatch Cambridgeshire

THE FUTURE OF OLDER PEOPLE'S SOCIAL CARE

Help Healthwatch get older people's experiences of social care listened to by the government.

The government has announced that they will publish a green paper on care and support for older people by summer 2018. This will provide a basis for a discussion and ideas for future services.

Sandie Smith, our CEO, has joined a task group with Healthwatch England to make sure that older people's and carers' experiences are considered as part of this thinking. It is vital their experiences are at the centre of any conversation.

Social care is practical support for people who need help with everyday activities to live their lives as fully and as independently as possible. At its most basic, social care can include help with washing, dressing, getting out of bed on a morning, help with medicines and housework.

Care and support services are not free. Most people have to pay something towards their own care and some will have to pay for all of the costs.

At Healthwatch, we think it's important that people's experiences of social care and ideas for the future are fed into any policy development. We want to encourage as many people as possible to share their experiences of older people's social care with us.

This is only the start of the conversation, as the green paper will be subject to a full public consultation after it is published in summer 2018.

We're calling for your experiences – go to: www.healthwatchcambridgeshire.co.uk/content/have-your-say to tell us about your experiences, or call us on 0330 355 1285.

— BAR HILL CRICKET CLUB —

We have a new captain, we have the start of a fixture list and the days are slowly getting longer – it won't be long before we're back on the village green for the 2018 season!

Tom Page is the first team captain, elected at our annual meeting, while the rest of the committee were all re-elected, including Ash Curry as our chairman.

Our first league match is scheduled for Saturday 5th May, when Bassingbourn will be the visitors.

We also know that our Under-13s team will be in action against Cambridge NCI, Cambourne, Buntingford and Thriplow as they take their first steps into competitive cricket – watch this space and our website for details of youth training as well as the matches.

The Cambridge Business Houses League midweek fixtures will soon be out, completing our list for the season.

We are always looking for new players of all ages – regardless of experience, so if you fancy joining us, give me a call on the number below.

CAMBRIDGESHIRE FIRE AND RESCUE SERVICE
SAFE AND WELL VISITS – HELPING YOU TO STAY INDEPENDENT IN YOUR OWN HOME

Cambridgeshire Fire and Rescue Service is committed to supporting the safety and wellbeing of residents in all of the communities that we serve. The Safe and Well visit will provide us with sufficient information to support you and, with your permission, refer you to selected partner agencies, who will be able to support you further. We will not share your data with marketing companies or for other purposes.

Our visit will last no longer than 60 minutes and is completely **FREE** of charge. Our visit will assess six key elements:

- **Fire safety in the home** – including cooking, general safety and escape plans.
- **Falls prevention** – including simple remedial action such as replacing lightbulbs or taping down loose carpet.
- **Alcohol use** – alcohol related hospital admissions are steadily increasing. We can provide you with helpful information.
- **Stay well and warm** – can you afford to heat your home? Do you have access to a hot meal? Do you access all the services available to you?
- **Crime reduction** – we can provide advice on making your home more secure in addition to advice to make you less vulnerable to scams or fraud.
- **Smoking** – need a helping hand to quit? Our partners can offer you the help and advice you need to stop smoking.

You are under no obligation to answer any questions that you do not want to, but the more information you provide us with, the better we will be able to support you. We can also provide advice in relation to promoting the health and safety of individuals with hoarding concerns, as well as providing valuable information to care providers.

To find out if you are eligible for a visit, call 01480 444500 or email firefire@cambsfire.gov.uk.
